

Visit Thirsk Town | Brand Support

Launched by Thirsk Town Council in January 2022 visitthirsktown.com is a brand new website designed to put a spotlight on the various attractions that can be found in Thirsk and the surrounding villages.

Thirsk has a strong offer as a market town with a reputation for culture, events, arts, shopping and attractions that include the World of James Herriot, Thirsk Racecourse and Thirsk Hall Sculpture Park to name but a few. We are looking to you to help us attract additional footfall into the area.

To help promote Thirsk we ask that you include into your website, email and/or any other electronic platform that you have control over, one of the 4 badges that are included in this folder (saved as high resolution .png files) . The badges included are in white, black or purple and carry the following messages :

1. A Member Of The VisitThirskTown.com Website Since 2022
2. Nestled Between The Yorkshire Dales The North Yorkshire Moors
3. Proud To Part Of VisitThirskTown.com North Yorkshire
4. A Traditional Market Town With A Lot Going On
